

## **Smith's Introduces New Accessories and Kits at ICAST 2022**

### *The Edge Experts at Smith's Deliver Value to All Anglers*

Anglers need quality knives, tools, and accessories – just as much as rods, reels, and tackle – to catch fish and have fun on every trip. At ICAST 2022, the Edge Experts at Smith's Consumer Products will introduce new accessories and value-added kits to help every angler meet with success, both on and off the water.

**Smith's Mr. Crappie Slab Slinger Cut-Resistant Gloves** are designed for safe fish handling and processing in any kind of weather. These non-slip gloves are manufactured from food-grade high-performance polyethylene, which is four times stronger than leather and provides Cut Level 5 protection for your hands – perfect when cleaning fish with Smith's razor-sharp fillet knives. Slab Slinger Cut-Resistant Gloves are both machine- and hand-washable and shrink-resistant. The glove material is manufactured for maximum breathability, so your hands stay cool and comfortable while transforming fresh fish into perfect fillets. Avid anglers will appreciate that Smith's Slab Slinger Cut-Resistant Gloves provide welcome hand protection during other activities using sharp equipment

or materials, both outdoors and in the home. With an MSRP of \$15.99, pairs of Smith's Mr. Crappie Slab Slinger Cut-Resistant Gloves are available in size XL and make their debut in the **ICAST 2022 New Product Showcase in the Fishing Accessories Category.**

**Smith's RegalRiver Ice Fishing Tool Kit** is perfect for both run-and-gun ice anglers and groups spending weekends in a hard house. Toothy fish like pike and walleyes are common targets through the ice, so Smith's tool kit includes a 9-inch Jaw Spreader to safely remove hooks and reduce damage to fish destined for release. Unhook fish and cut line and leader easily using a 6.5-inch Stainless Steel Pliers and Line Scissors combo, complete with a convenient Sheath and belt hook. Trim knots to perfection using a handy Line Clipper, perfect for use with gloved hands. Clean a mess of panfish using Smith's new 4-inch Folding Flex Fillet Knife. Collect all these essential ice fishing tools in one place using Smith's marine-grade Mesh Tool Bag, perfect for stowing in a bucket or sled, mounting on a snow machine, or hanging in a shelter. Smith's RegalRiver Ice Fishing Tool Kit has an MSRP of \$84.99 and makes its debut in the **Ice Fishing Category in the ICAST 2022 New Product Showcase.**

**Smith's RegalRiver 7-Inch Fillet Knife Combo** is perfect for all anglers looking for a high-quality fillet knife and a perfectly-matched two-stage sharpener. The 7-inch razor-sharp blade is forged from 400-series stainless steel and shines in both fresh and saltwater. The knife features an ergonomic, non-slip soft grip handle with a tether-ready lanyard hole and a molded plastic sheath to protect the blade and guard against accidents. The kit's two-stage pull-through sharpener keeps the knife ready for action, and also includes hook-sharpening grooves and an integrated line cutter. An excellent choice for the value-conscious, Smith's RegalRiver 7-Inch Fillet Knife Combo has an MSRP of \$24.99.

Smith's Consumer Products offers exceptional tools, knives, and accessories for all anglers and outdoor adventurers. Learn more about all of Smith's innovative new products by visiting **Booth 2508** at ICAST 2022.
