

Start a Lifelong Relationship with an Heirloom Knife from Smith's Consumer Products

Smith's Trapper Collector Series Pocket Knife is Perfect for All Anglers

Generations of anglers have enjoyed special relationships with trusty pocket knives. From trimming the perfect knot to opening a package of top-secret baits, to cutting a hearty sandwich in half to share with a friend, an angler's favorite pocket knife is always close at hand and ready to tackle any task that needs doing. At ICAST 2022, Smith's Consumer Products – the Edge Experts since 1886 – will introduce a new heirloom-quality pocket knife that will find a special place in the hearts of anglers both young, and young at heart: the Trapper Collector Series Pocket Knife.

Designed with insights and input from legendary angler Wally Marshall – Mr. Crappie himself – Smith's Trapper Collector Series Pocket Knife is a workhorse and a work of art. This limited edition knife sports a pair of satin 420 stainless steel blades: a 3 1/8-inch clip point plain edge blade and a 3 3/8-inch Spey plain edge blade. Each blade features a thumbnail nick for easy access and is secured in place with a reliable slip joint lock. The beautiful handle is engineered from red smooth bone, inlaid with mother of pearl and abalone. Brass pins and liners, nickel silver bolsters, and a Mr. Crappie-shaped shield ensure that Smith's Trapper Collector Series Pocket Knife stands out in any collection. Store this limited-edition knife in the included collector gift box. Forged to be passed down through the generations, [Smith's Mr. Crappie Trapper](#) is protected by a lifetime limited warranty.

Build a lifelong relationship with a beautiful new pocket knife: the Trapper Collector Series Pocket Knife from Smith's Consumer Products. About Smith's Consumer Products:

Smith's Consumer Products is an Arkansas-based company that traces its history to 1886. Smith's produces the broadest line of knife and scissors sharpeners available, ranging from simple, fixed angle pull-through sharpeners for consumers that want quick and easy sharpening to sophisticated Precision Kits designed for the knife sharpening enthusiast. Our offering includes both manual and electrical sharpeners that incorporate many different abrasive materials, including diamond, carbide, ceramic, bonded synthetic abrasives, and, of course, natural Arkansas stones. The Edge Experts at Smith's Consumer Products also design and manufacture a wide range of tools for outdoor enthusiasts as well as knives for everyday carry, tactical, shop, kitchen, hunting, and fishing needs.
