

New at ICAST 2022: Innovative Knives for Anglers from Smiths

The Edge Experts at Smith's Support Every Angling Adventure

All anglers share a common need for quality knives, no matter where they fish or what species they target. Whether opening a package of top-secret baits, cutting a hearty sandwich in half to share with a friend, or converting the catch of the day into perfect fillets, knives play central roles in every angling adventure. At ICAST 2022, Smith's Consumer Products – the Edge Experts since 1886 – will introduce a collection of new knives that will make all anglers more productive, both on and off the water.

Perfectly suited for processing smaller fish, **Smith's RegalRiver 4-Inch Folding Flex Fillet Knife** is a lightweight knife with a slim profile that easily fits in your pocket, tackle box, or fishing bag - and is packed with features that enhance its performance and provide many seasons of durability and reliability. Designed with a razor-sharp, 400-series Stainless Steel locking blade for high strength and wear resistance, the RegalRiver 4-Inch Folding Flex Fillet Knife's flexible blade simplifies fine-detailed work like removing rib bones and rogue pieces of skin. An ergonomic, non-slip TPE soft-grip handle supports comfortable use under any conditions and promotes safety at the fillet table. Smith's RegalRiver 4-Inch Folding Flex Fillet Knife's handle also includes a built-in carabiner, a tether-ready lanyard hole, and a bottle opener - because nothing makes an angler more thirsty than an extended session at the cleaning table. Available with a light blue, light green, or orange handle, Smith's [RegalRiver 4-Inch Folding Flex Fillet Knife](#) makes its debut in the **Knife and Tool Category in the ICAST 2022 New Product Showcase**, is protected by a limited lifetime warranty, and has an MSRP of \$28.99.

Designed with insights and input from legendary angler “Mr. Crappie” Wally Marshall, **Smith’s Mr. Crappie Trapper Collector Series Pocket Knife** is a workhorse and a work of art. This limited edition knife sports a pair of satin 420-series stainless steel blades: a 3 1/8-inch clip point plain edge blade and a 3 3/8-inch Spey plain edge blade. Each blade features a thumbnail nick for easy access and is secured in place with a reliable slip joint lock. A beautiful handle engineered from red smooth bone inlaid with mother of pearl and abalone, brass pins and liners, nickel silver bolsters, and a Mr. Crappie-shaped shield ensure that Smith’s Trapper Collector Series Pocket Knife stands out in any collection. Store this limited-edition knife in the included collector gift box. Forged to be passed down through the generations, [Smith’s Mr. Crappie Trapper Collector Series Pocket Knife](#) makes its debut in the **Giftwear Category in the ICAST 2022 New Product Showcase**, is protected by a limited lifetime warranty, and has an MSRP of \$54.99.

Smith's Mr. Crappie Trapper Pocket Knife was also custom-designed by legendary crappie fisherman "Mr. Crappie" Wally Marshall. With its sleek white smooth synthetic bone handle inlaid with the Mr. Crappie-shaped shield, this pocketknife will quickly become every angler's most trusted companion. The knife features a 2 ¾-inch clip point plain edge blade and a 2 ¾-inch Spey plain edge blade – each forged from brushed 420-series stainless steel – with thumbnail nicks for easy access and slip joint locks for security and safety. Protected by a limited lifetime warranty, [Smith's Mr. Crappie Trapper Pocket Knife](#) has an MSRP of \$34.99.

Make quick work of the day's catch with **Smith's 8-Inch Curved Super Flex Fillet Knife**. This knife features an 8-inch, razor-sharp, tapered and flexible blade forged from corrosion-resistant 3Cr13 stainless steel. An ergonomic, non-slip soft grip with TPE inserts promotes safe handling and use under any conditions. A breathable protective sheath enhances the knife's longevity, and a tether-ready lanyard hole in the handle keeps the knife ready for action at the cleaning table. Protected by a limited lifetime warranty, Smith's [8-Inch Curved Super Flex Fillet Knife](#) has an MSRP of \$39.99.

Smith's Consumer Products offers exceptional tools, knives, and accessories for all anglers and outdoor adventurers. Learn more about all of Smith's innovative new products by visiting **Booth 2508** at ICAST 2022.

About Smith's Consumer Products:

Smith's Consumer Products is an Arkansas-based company that traces its history to 1886. Smith's produces the broadest line of knife and scissors sharpeners available, ranging from simple, fixed angle pull-through sharpeners for consumers that want quick and easy sharpening to sophisticated Precision Kits designed for the knife sharpening enthusiast. Our offering includes both manual and electrical sharpeners that incorporate many different abrasive materials, including diamond, carbide, ceramic, bonded synthetic abrasives, and of course, natural Arkansas stones. The Edge Experts at Smith's Consumer Products also design and manufacture a wide range of tools for outdoor enthusiasts as well as knives for everyday carry, tactical, shop, kitchen, hunting, and fishing needs.
