About Smith's Consumer Products:

Smith's Consumer Products is an Arkansas-based company that traces its history to 1886. Smith's produces the broadest line of knife and scissors sharpeners available, ranging from simple, fixed angle pull-through sharpeners for consumers that want quick and easy sharpening to sophisticated Precision Kits designed for the knife sharpening enthusiast. Our offering includes both manual and

electrical sharpeners that incorporate many different abrasive materials, including diamond, carbide, ceramic, bonded synthetic abrasives, and, of course, natural Arkansas stones. The Edge Experts at Smith's Consumer Products also design and manufacture a wide range of tools for outdoor enthusiasts as well as knives for everyday carry, tactical, shop, kitchen, hunting, and fishing needs.
