

Smith's Introduces New Folding Bone Saw at Shot Show

Field Dress Big Game With Ease

Smith's Consumer Products – the Edge Experts since 1886 – will introduce a new folding bone saw in **Booth 10327** at Shot Show in Las Vegas, Nevada. This saw is designed to take the hard work out of field dressing any big game animal, saving you time and energy while out in the field. Its durable yet compact design is excellent for travel and packing light.

Smith's EdgeSport 6" Folding Bone Saw is a great addition to any field dressing kit. This packable, lightweight folding bone saw is perfect for any hunting trip, no matter the conditions. It fits perfectly in a backpack or can be attached to a lanyard to ensure that it does not get lost. The saw's 6" stainless steel blade is uniquely designed specifically for field dressing deer, elk, and moose, and is equally useful back in camp when cutting wood for a fire. Its sturdy lock-back design secures the blade in a working position during tough conditions. A durable TPE non-slip handle is essential for safety when hands are wet. This trustworthy and durable bone saw is a true game changer in the field or woods.

Key Features of the Smith's 6-inch Folding Bone Saw Include:

- Packable, lightweight, durable design
- 6" stainless steel bone saw blade
- Non-slip TPE handle with lock-back design
- 7" overall length when closed, perfect for backcountry travel
- Tether-ready lanyard hole

[Smith's 6-inch Folding Bone Saw \(SKU 51366\)](#) is protected by a limited lifetime warranty and has an MSRP of **\$28.99**.

Learn more about these and many other new offerings from The Edge Experts at Smith's Consumer Products by visiting our new location – **Booth 10327** – at Shot Show. We look forward to seeing you there!

About Smith's Consumer Products:

Smith's Consumer Products is an Arkansas-based company that traces its history to 1886. Smith's produces the broadest line of knife and scissors sharpeners available, ranging from simple, fixed angle pull-through sharpeners for consumers that want quick and easy sharpening to sophisticated Precision Kits designed for the knife sharpening enthusiast. Our offering

includes both manual and electrical sharpeners that incorporate many different abrasive materials, including diamond, carbide, ceramic, bonded synthetic abrasives, and, of course, natural Arkansas stones. The Edge Experts at Smith's Consumer Products also design and manufacture a wide range of tools for outdoor enthusiasts as well as knives for everyday carry, tactical, shop, kitchen, hunting, and fishing needs.
